Ditching the working mum's guilt: 5 essential secrets

Mums struggle to balance work and family life or worry they are damaging the relationship with their children. Discover how to ditch the guilt and **enjoy** the time you have with your children.

The essential secrets to being a Confident Mother

Every mum aspires to be the Confident Mother, and it's easier than you think when you know the essential secrets, even if you work or run your own business. Good enough IS good enough.

5 mistakes made by every business mum

Mums in business make the same mistakes over and over. Find out what they are, how they hold back your financial success and growth, and most importantly, how to avoid them.

7 steps to go back to work with confidence

The 7 essential steps to help mums confidently identify who and what they are, what is most important, whether to go back to the same or different career or even set up their own business.

WHAT MUMS SAY:

"You have made a real difference in someone's life who is very grateful for all of a sudden feeling like maybe she is good enough after all."

"The Confident Mother has changed me ... at last, I am starting to believe in my ability to manage on my own. "

"I have been able to pick out some very specific things, business wise, very practical actions I can take."

"Oh my WORD.... I just had a massive self-realisation moment!!!!!!!!!!!!!"
